Dear Client:

It's been an interesting year with important tax changes that will impact you. Here are some of the changes and issues you need to know about.

Tax return due dates:

- Individuals must file returns by April 15, 2022, for the 2021 tax year;
- Partnerships must file returns by the 15th day of the third month following the close of the taxable year (March 15 for calendar-year taxpayers);
- C corporation returns are generally due by the 15th day of the fourth month following the close of the taxable year (April 15 for calendar-year taxpayers);
- S corporation returns will remain due by the 15th day of the third month of the taxable year (March 15 for calendar-year taxpayers); and
- W-2s and 1099s must be filed by January 31, 2022, for the 2021 tax year.

Stimulus payments: The American Rescue Plan Act, which was passed into law in March 2021, authorized a third round of stimulus payments (also referred to as economic impact payments) that were issued to many taxpayers.

People who received an economic impact payment should have received IRS Notice 1444-C, Your Economic Impact Payment, notifying them of the amount of the payment they should have received. The maximum payment was \$1,400 per taxpayer, spouse, and dependent. The economic impact payments are treated as advance tax credits against your 2021 income taxes. As such, you will need to include a copy of Notice 1444-C when you provide us with your other tax documents.

Advanced child tax credits: Starting in July 2021, the IRS began sending Advanced Child Tax Credit payments to those who qualify to claim the Child Tax Credit on their 2021 income tax returns. The Child Tax Credit we are able to claim on your 2021 income tax return will be reduced by the amount of any advanced payments you received.

The IRS will send Letter 6419 to taxpayers in January 2022 reminding them of the amount of advanced payments they received. You will need to provide us with a copy of the notice so that we can properly calculate the Child Tax Credit you are eligible to receive on your 2021 income tax return.

Online IRS account: We recommend that each of our clients set up their own IRS online account. With an online IRS account, you can view your account status, make payments (including balances due and estimate, among others), view past payments, confirm economic impact payments received, pull IRS transcripts, and view new IRS notices and letters you received, among other activities.

Accounts can be set up in as little as 10 minutes at www.irs.gov. If you have any trouble setting up an account, please contact our office and we can help walk you through the process. We can also help you set up your account in person during your tax appointment. If you are married, then each spouse should set up their own separate account.

Identity theft measures: Starting in 2021, all taxpayers can register for an Identity Protection PIN (IP PIN), which is a six-digit number assigned by the IRS that prevents others from filing fraudulent returns using your Social Security Number or Individual Taxpayer Identification Number (ITIN). Previously, the IRS only made this program available to identity theft victims.

You can register for an IP PIN at www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin. Once you are registered, the IRS will send you a new six-digit PIN in the mail each

January. Any income tax returns filed on your behalf, whether by paper or electronically, will be rejected by the IRS unless the correct six-digit PIN is reported on your income tax return.

Property transactions: Did you sell any real estate this year? Be sure to provide copies of escrow statements, as well as the Loan Estimate form, the Closing Disclosure form, and California Form 593, Real Estate Withholding Tax Statement. We need these documents to properly prepare your return. If you can get them to us as early as possible, we can make sure we have everything we need, and make sure that any state withholding documentation is correct.

1099s and K-1s: If you received 1099s or K-1s from investments in 2021, we may extend your return in case these documents are corrected after the original filing deadline. We are seeing increasing numbers of corrected information returns, which require taxpayers to amend their original tax returns to reflect the corrected amounts. In some cases, the amounts are vastly different and can create additional costs in amending the tax returns and potential penalty problems.

Foreign accounts: We must report overseas assets owned by businesses as well as individuals. So, the reporting requirements are increasing and the penalties for failure to report continue to be harsh. Not all foreign holdings must be reported. If, for example, you hold stock in a foreign company through a U.S. broker, those holdings do not have to be separately reported. However, if you hold any other types of foreign assets, including bank accounts and securities accounts, please let us know. If you have any doubt as to whether any of your assets are foreign, please discuss those assets with us. Again, this year we will need information on a business' foreign holdings as well.

Please take extra care in preparing your organizer and documentation so we can do the best possible job to find new tax benefits that are hidden in the law and protect you from more aggressive audit programs and larger penalties.

Yours truly,

Cuong Le CPA, Inc
